#### Odd Fellows' Day.

Sunday was Odd Fellows' Day in Paris, there being about 1,000 Odd Fellows and their friends here to assist in the memorial services of Bourbon Lodge, I. O. O. F., for the departed brethren of the order. Delegations were present from Newport, Lexington, Millersburg, and in fact all surrounding towns. Grand Secretary R. G. Elliott and forty children from the Odd Fellows Orphan's Home, at Lexington, were present. After the singing of several of the beautiful old hymns at the cemetery, Elder Carey Morgan opened the services at the cemetery with prayer. The principal address was made by Grand Master B. M. Arnett, of Nicholasville. It was a touching and eloquent tribute to the deceased brothers.

There were 450 Odd Fellows in line of march to the cemetery by actual count. The strewing of the flowers upon the graves of the departed brethren by the orphan children was a very impressive scene, and they touched the hearts of all present when they closed the services by the rendition of "My Country, 'Tis of Thee."

## A Word About Coffee.

Anybody can roast Coffee, but it stands to reason that in order to obtain best results and perfect flavors, the roasting must be done under the direction of an expert coffee blender. Such men demand large salaries and could not be employed by such small concerns as exist in small towns; their salaries range from two to six thousand dollars per year. Now I buy my Coffee from one of the largest concerns in the world. They can afford to pay any price for a coffee blender. The quality is always the same, the flavor never changes. Once you use my Coffee you will always use it. It costs but little more than cheap Coffee, goes farther and tastes better.
